

Delivering Unprecedented Transparency into the Alternative Investment Industry

Today’s fund managers face immense challenges. Increased scrutiny from regulators and institutional investors, combined with the challenging competitive environment all lead to business uncertainty and risk. Convergence’s technology-driven products will provide you with the necessary data intelligence that helps you make better business decisions. Our products and services will help you in the following three areas:

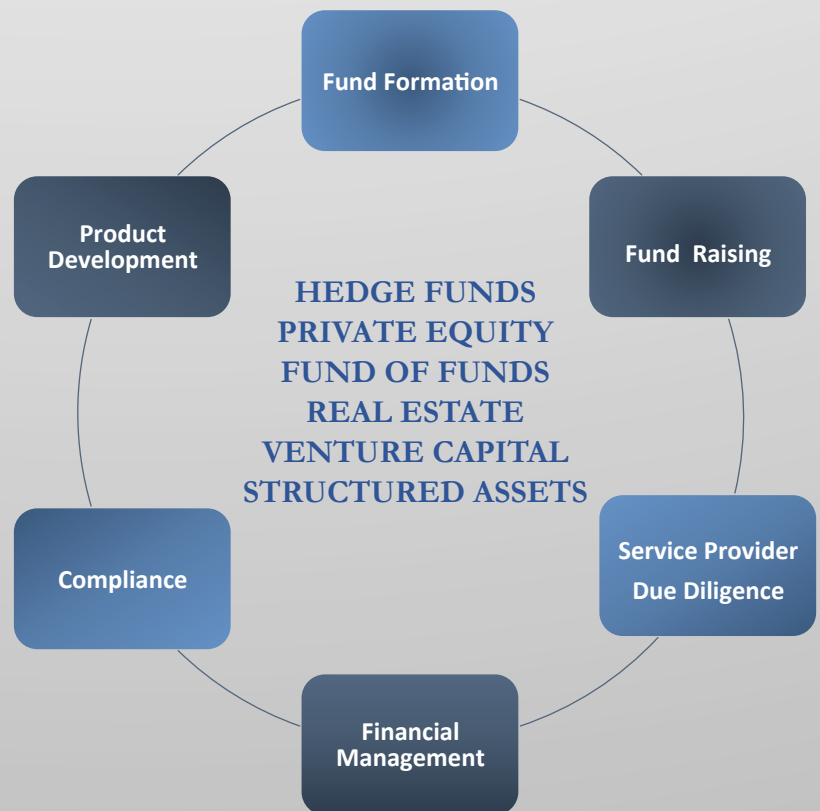

MANAGE REVENUE

MANAGE PROFITS

MANAGE RISK

Advisory Product Sample:

- Fund Expense Practices Analysis
- Complexity/Risk Profiling
- Predictive Analytics & Time Series
- Service Provider Best Fit Analyses
- Leverage Analyses
- Valuation Practices Analyses
- Staffing & Productivity Analyses
- Benchmarking & Identifying Growth Models to Emulate
- Peer/Competitor Surveillance
- Service Provider Surveillance

- ADV & Fund Document Review
- Custom Research

Across all stages of your business cycle, Convergence will arm you with empirical and peer-driven data to gain a competitive edge and protect your enterprise, while creating a documented ‘audit trail’ to evidence your proactive command of key decisions.

RESEARCH

Coverage of all 16,000+ SEC Registered Investment Advisors and 19,000+ State Registered Advisors. Research any Advisor from a comprehensive view of 500 data points sourced daily from regulatory filings, including Form ADV and the Brochure, plus additional 1200 derived data points of original content. Each manager is organized into its peer group, allowing you to compare and contrast any metrics to the peer group or to the marketplace. Available in web-based portal with mobile access or exportable 3D data file.

ANALYTICS

Our original content and analytics allow you to benchmark and compare data metrics across the industry and peers. Examples include:

Fund Expense Practices Analyzer: Expense Disclosure Analysis

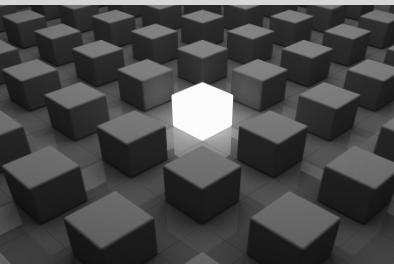

Regulatory History: Regulatory, Criminal and Civil violations

Market Share Analysis and Book: Service Provider Market Share

Complexity Profiling: Proprietary 40+ Factor Advisor Operating Model Risk Rating

Talent Identification Manager: C Suite Filter: Skills, Attributes, Experience

Service Provider Best Fit and Efficiency: Client Selection Tool
